

EXCLUSIONS

Your certificate of insurance details exclusions which apply. Please read it carefully.

PRE-EXISTING CONDITION EXCLUSION

No benefits will be paid for losses or expenses incurred as a result of an injury or illness to you which manifests itself during the 60 days immediately before the date your coverage became effective, unless the condition is controlled through the taking of prescription drugs or medication and remains controlled throughout the 60 day period.

PRE-EXISTING CONDITION WAIVER

The pre-existing condition exclusion is waived if you are under the age of 70 and coverage is purchased within 14 days from the date the initial trip deposit was paid to the travel supplier. You also must be medically able to travel on the date coverage is purchased.

If you do not meet the pre-existing condition waiver requirements, your pre-existing condition might still be covered. Review the questions below. If your answer is no to all 3 questions, then you do not have a pre-existing condition.

1. Were you treated for a new illness in the last 60 days?
2. Has your condition worsened or required medical attention in the past 60 days?
3. Have you received any new medications in the past 60 days or have any of your current dosages been changed?

iTravelInsured programs are underwritten by Sirius America Insurance Company, NOVA Casualty Company, and/or other insurance companies depending on the program purchased and the date and place of purchase. Carriers are subject to change subsequent to date of printing, and specific up-to-date information concerning current carriers is available upon request.
